

# THE GRIFFIN

The Griffin is on the 11th floor of the JW Marriott Dongdaemun Square Seoul in the heart of the iconic shopping district. With elegant lights, a grand piano and wood-paneled walls, the ambience inside is classic luxury, but the chatty bartenders make it an easy stop for a casual night out as well.

The terrace offers a beautiful view of the Dongdaemun district to go with your choices from the bar's signature cocktails, range of single malt whiskies, and the Top 20 cigar collection.
